Venue
Recinte Modernista de Sant Pau (Art Nouveau Site Sant Pau), Barcelona (Spain)

November 21st - 22nd, 2024

PRESENTATION

In this ICCS course we will discuss topics such as enuresis, BBD, neurogenic bladder, the more frequent voiding dysfunctions as well as special urologic complication in the paediatric age. Both its diagnosis and treatment as well as current news in the most frequent functional pathologies. This course is addressed to urologists, nephrologists, paediatricians, nurses and physiotherapists.

FACULTY

U. Barroso

Urologist, Head of the Urology Department, Universidad Federal de Bahia, Brasil

A. Bujons

Urologist, Head of the uro-paediatric Unit, Fundació Puigvert, Spain

C. Errando

Urologist, Head of the functional urology Unit, Fundació Puigvert, Spain

G. Fernández

Nurse, Fundació Puigvert, Spain

A. Goyal

Urologist, Royal Manchester Children's Hospital, UK

R. Jiménez

Urologist, Staff member uro-paediatric Unit, Fundació Puigvert, Spain

E. Llorens

Urologist, Staff member uro-paediatric Unit, Fundació Puigvert, Spain

F. Maestre

Psychologist, Head of the Clinical Psychology Department, Fundació Puigvert, Spain

A. Mir

Psychologist, Psychology Department, Fundació Puigvert, Spain

J. Murillo

Chief of Pediatric Urology Department, Universidade Federal de Juiz de Fora, Brasil

A. Nieuwhof-Leppink

Head of Urotherapy Department, Wilhelmina Children's Hospital, UMC Utrecht, Netherlands

J. Osorio

Urologist, Staff member uro-paediatric Unit, Fundació Puigvert, Spain

Y. Quiroz

Urologist, Staff member uro-paediatric Unit, Fundació Puigvert, Spain

S. Rittig

Professor of paediatrics, Aarhus University, Denmark

I. Somoza

Paediatric surgeon, Hospital de la Coruña, Spain

S. Tanaka

Chief of Pediatric Urology, University of Alabama at Birmingham, USA

Thursday, 21st November

AGENDA

BBD / ENURESIS

Moderators: J. Murillo, S. Rittig

- 09:00 - 09:15 **Welcome and introduction**
A. Breda, A. Bujons, U. Barroso, E. Franquet, R. Jiménez
- 09:15 - 09:35 **Bowel and Bladder Dysfunction (BBD), is there a new concept?**
U. Barroso
- 09:35 - 10:00 **BBD and its relationship with other conditions**
I. Somoza
- 10:00 - 10:30 **Q & A**
- 10:30 - 11:00 **Clinical cases on BBD**
U. Barroso, S. Rittig, I. Somoza, J. Murillo - **Moderator** Y. Quiroz

11:00 - 11:30 **Coffee break**

Moderators: E. Llorens, J. Murillo

- 11:30 - 11:50 **Treatment approach in enuresis**
S. Rittig
- 11:50 - 12:10 **Is there a new treatment for enuresis?**
U. Barroso
- 12:10 - 12:30 **What to do when everything fails in the enuretic patient?**
J. Murillo
- 12:30 - 13:00 **Q&A and Discussion**
- 13:00 - 13:30 **Clinical Cases in enuresis**
U. Barroso, E. Llorens, J. Murillo, S. Rittig - **Moderator** R. Jiménez

13:30 - 15:00 **Lunch**

UROTHERAPY

Moderators: U. Barroso, I. Somoza

- 15:00 - 15:20 **Is standard urotherapy for all patients?**
A. Nieuwhof-Leppink
- 15:20 - 15:40 **Specific urotherapy: which, when and who?**
A. Nieuwhof-Leppink
- 15:40 - 16:00 **Psychological approach in incontinent pediatric patients**
F. Maestre, A. Mir
- 16:00 - 16:20 **Specific urotherapy in neurodevelopment disorders**
A. Nieuwhof-Leppink
- 16:20 - 16:45 **Q&A and Discussion**
- 16:45 - 17:15 **Clinical cases in urotherapy, approach of nurses and physiotherapists in incontinent pediatric patients and BBD patients**

Friday, 22nd November

AGENDA

THE EVOLUTION OF NEUROGENIC BLADDER

Moderators: C. Errando, A. Goyal

- 09:00 - 09:20 Neurogenic bladder in newborns: from the beginning
S. Tanaka
- 09:20 - 09:40 Neurogenic bladder from toddlers to teens: growing up
J. Murillo
- 09:40 - 10:00 Key points on the follow-up of neurogenic bladder patients
A. Goyal
- 10:00 - 10:30 Q&A
- 10:30 - 11:00 Coffee break

Moderator: A. Goyal, S. Tanaka

- 11:00 - 11:40 Clinical Cases in neurogenic bladder
U. Barroso, A. Bujons, A. Goyal, S. Tanaka - Moderator Y. Quiroz
- 11:40 - 12:00 Transition in neurogenic bladder
R. Jiménez
- 12:00 - 12:20 Sexuality in neurogenic patients
A. Bujons
- 12:20 - 12:40 Q&A
- 12:40 - 13:20 Clinical cases of rare conditions of neurogenic bladder
U. Barroso, A. Bujons, S. Tanaka - Moderator R. Jiménez
- 13:20 - 15:00 Lunch

LUTD DAYTIME CONDITIONS

Moderators: A. Nieuwhof-Leppink, U. Barroso

- 15:00 - 15:20 Approach of LUTD diagnosis
R. Jiménez
- 15:20 - 15:40 Treatment of most common LUTD: overactive bladder and voiding disfunctions
E. Llorens
- 15:40 - 16:10 Clinical cases in LUTD
A. Nieuwhof-Leppink, S. Tanaka - Moderator R. Jiménez
- 16:10 - 16:40 Q&A
- 17:00 - 17:15 Closure
